

**DUARTECRUZ**

— SINCE 1956 —

**Caderno Geral**

Ao longo de seis décadas de atividade, a firma **DUARTECRUZ** Fabrica de Plásticos, Lda., fundada em 1956, dedica-se ao fabrico de todo o tipo de perfis plásticos a partir de PVC, PP, ABS e outros.

Produz uma grande variedade de perfis plásticos, com as mais diversas características, destinados a atividade Industrial e Comercial em geral.

A qualidade dos produtos que a empresa fabrica, a versatilidade destes, o esforço e o conhecimento técnico da empresa estão na base do sucesso alcançado.

Ao mesmo tempo a manutenção de uma relação muito especial com os diversos clientes faz com que a **DUARTECRUZ**, seja vista como uma empresa capaz de produzir tudo para os mais diversos fins.

Uma larga experiência e uma particular atenção na diversidade de fabrico permitiu à empresa angariar conhecimentos, os quais aliados à tecnologia empregue no fabrico são suficientes para satisfazer as diversas solicitações.

O departamento técnico da empresa tem capacidade de desenvolver novos perfis e de aconselhar/ colaborar com os seus clientes, propondo soluções em projetos novos apresentados por estes.
